

2009-2010 SUPPLY LIST - Ms. Rona (Grades 1/2/3)

I am pleased to inform you that at this level of instruction that your children do not need backpacks. I am asking that children come to school without them especially since they will be receiving school tote bags. We are fortunate to have some supplies leftover from the 2008-2009 school year because of the careful use of material. Some items that were on last year's list are absent from this year's. As always, we might need a replenishing of supplies during the school year. Please note that individual pencil sharpeners may **not** be brought to school.

- **Please send in the following items labeled with your children's names:**
